

Lecture 3

Joe Roith

September 12, 2019

Time/Location

Thursdays: 12:45 - 2:05 PM (80 min)

RNS 210

Previous class

Finished talking about the 7 components of statistical sleuthing articles. They have a reading assignment due, based on the Sleep and cold article. And I asked them to read the media multitasking paper along with short articles describing the research.

Breakdown

Part	Topic	Description	Duration
0.1	Orientation		0 min
0.2	QOD	Do you think opened-ended questions are better than multiple choice?	0 min
0.3	Mindfulness		1 min
1	Discussion	Begin Class What did you think about the Media multitasking paper? Pair and talk Start the slides and be sure to pause and let students pair and share Discuss the media reports of the research, compare them.	3 min 25 min 5 min
